SCRAMBLE:

Participants play a four-person scramble format. Men will play from the white tees and the women from the red tees. Each player hits his or her ball to begin each hole. The team chooses the best shot and, from that spot, each player takes a second shot. The format continues until the completion of the hole and a single score is recorded.

IMPROVING YOUR LIE IN A SCRAMBLE:

Each participating team must mark the spot of each selected shot with either a golf tee or divot repair tool. At that time, each member of the team may place their ball according to the stipulations listed below.

FAIRWAY/ROUGH/HAZARD

The ball may be placed one club length from the spot of the selected ball, but no nearer to the hole. When placed, the ball must remain in the same cut in which the selected shot came to rest --- fairway, rough, or hazard. Ball placement may improve the team's stance, swing, and line of sight but must not be placed outside the one-club length limit.

PUTTING GREEN

Each participating team must mark their selected shot and and putt from a spot within one putter-head length from the spot but no closer to the hole.

MULLIGANS MAY NOT BE USED ON LONG DRIVE OR CLOSEST TO THE PIN HOLES.

TIE BREAKING POLICY

A "card-off" will be used starting on the #1 through #18 handicapped ranked holes.

HOLE #1

Long Drive Contest (Women) Farthest and in the fairway wins.

HOLES #3

50/50 Par 3 \$5. Closest to the pin wins half the pot.

HOLE #5

Long Drive Contest (Men) Farthest and in the fairway wins.

HOLE #12

Closest to the pin (Men)

HOLE #15

Closest to the pin (Women)

HOLE #16

Risk -Reward. Each team that chooses to participate selects one player to attempt to hit a 100 yard shot within a 30 foot circle. If the player is successful the team moves to the green for an attempt at a 20 foot Double Eagle putt. If the player is unsuccessful, the team plays their second shot from where their designated players shot came to rest.
